Westbrook Estate, Edmonton, AB

Westbrook Estates, magnificent 1/2+ acre estate property with the 1970 original home. On a quiet enclave uniquely fronts north to a serene 2 acre park with no neighbours directly in front or behind. The south back yard opens to nature with walking/bike trails along the utility corridor just steps from Whitemud Creek Ravine. An exceptional opportunity to design & build your dream estate home on this lot with 100' frontage by 200' deep & 130' across the rear. The existing home could provide value for an extensive renovation. The A-frame addition has experienced settling and requires stabilization. The rear of the home has an attached indoor 20' x 40' foot swimming pool with 25' vaulted ceilings. This amenity has long been unused, decommissioned and awaits restoration or demolition. The oversized 4 car garage would be perfect to build over top. The Derrick Golf & Winter Club, Snow Valley Ski Hill, the U of A and some of the top schools are only minutes away from this prestigious neighbourhood.

Built in 1970
